Re: Account of Alexander Primrose
N.W. 16-9-14-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 relief amounting to $100.00 was advanced to Alexander Primrose on the security of the above mentioned land. Payments totalling $100.00 were received in 1917 and 1918 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 22.10	$ 24.31	$ 46.41

At the time of receiving the advance of relief in 1915 Alexander Primrose was the renter of the N.W. 16-9-14-W4. At the time of obtaining the advance he had no right or permission of the registered owner to give the land as security for the lien.

After representations by the registered owner authority was issued releasing the land as security for the lien. The balance of the indebtedness has since remained as a charge against the liense under his personal covenant.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the lien is no longer registered against the land and there is no further security for our advance, it is recommended that the balance of the indebtedness be cancelled.

Sir,-

N.W. 1/4 of Sec. 16 Tp. 9 Rge. 14 West 4th Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the same person mentioned in patent for the quarter section of land described above, and if this is the only land for which you have obtained Dominion Land patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Re. Alexander Primrose,
H.7.16-9-14-3.4th.

This man made application for and received from the Department Relief to the amount of $100.00, with interest from the 1st of October 1915.

At the time of receiving the advance he was a renter on the land above described. He was later employed as a Janitor in the Post Office at Lethbridge, and you wrote me in connection with his case on the 5th of February 1917.

I phoned the Assistant Accountant of the Public Works Department this morning, and he advises that Mr. Primrose is not at present on the staff at Lethbridge.

There is still due this Department a balance of $107.08, with interest from the 20th of August 1918, and I would request that you endeavour to locate this man and make a collection.

Sir,

With reference to your letter of the 11th instant and my reply by night letter thereto of the 20th inst. relative to your application on behalf of the British [illegible] Land Settlement Corporation, Limited, to acquire the formerly submerged portion of the [illegible] of section 27, Township 57, Range 25, west of the Fourth Meridian, I beg to say that if your clients will have filed here an abstract of title or duplicate certificate of title, which latter document, if required, will be returned after having served the purpose of the settlement, allowing them to be the registered owners of the balance of the said half section. It will be in accordance with the present departmental practice to consider disposing of the said formerly submerged portion at a value-tion to be determined after inspection of the area in question by an official of the Department.

You may ask in this connection that the front of Dominion Lands, Edmonton, is being requested by a copy of this letter to detail an inspector to visit the land under consideration when in the vicinity and furnish the Department with a statement of its actual value per acre, taking into consideration the value of surrounding lands and of privately owned lands in the vicinity, and upon receipt of the desired report in this record, your application will be given consideration and you will be duly advised in the matter.

Sir,

Replying to your letter of the 10th ultimo I regret to inform you that your letter of the 14th idem was written on behalf of Lord and Lady Rodney respecting their desire to acquire through purchase the formerly reserved portion of the S.E. of section 27, township 57, range 14, west of the fourth meridian. I beg to say that as you were advised by my letter of the 23rd ultimo, it will be in accordance with the present departmental practice to consider disposition of the said formerly reserved portion at a valuation to be determined after inspection of the parcel in question by an official of the Department to the actual registered owners of the said S.E. of section 27.

I may add, however, that since, as has been intimated by you, Lord and Lady Rodney have not acquired title outright to the said afforded portion, should a sale be effected to them of the portion desired, letters patent will not be issued therefor until they have filed in the Department evidence in the form of an abstract of title or duplicate certificate of title that they have become the actual registered owners of the said afforded portion.

I may say further that as you were advised by

Your favour of May 29th., received in answer to my request to be allowed to take the fractional N.E. quarter of 16-50-4, W. 4th., M. to make up shortage in my homestead N. W. of same section , would say that I was informed by Sub-Agent at Vermilion that said fractional quarter contained forty odd acres and of that supposition thought it would do me alright. As to being seperated from my homestead I should think there will have to be a road around the lake. If it contains anything like forty acres would still,like to be allowed to have it.

This Department has an old account against the above noted land for advances of seed grain, relief and fodder to M. Robertson in 1915.

As we have been advised that this land stands in the name of the Crown in the right of the Province of Alberta, we should like to be advised of its present standing and whether it is likely ever to be used again for farming purposes.

Re: Account of M. Robertson
N.½ 2-14-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $161.95 were advanced to M. Robertson on the security of the above mentioned land. Payments of $124.44 and $58.99 were received in 1920 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 95.82	$ 102.43	$ 198.25

Patent was issued in the name of M. Robertson for the N.W. 2-14-8-W4 on the 17th of September 191-. The N.E. 2-14-8-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 24th of August 19-7, and it is still unalienated Crown land held in the right of the Province.

Title to the N.W. 2-14-8-W4 is now vested in Crown in the right of the Province having been acquired under the Tax Recovery Act.

The N.½ 2-14-8-W4 is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, who have advised that the land is presently leased for grazing purposes and is outside of the homestead lease area and not likely to be used again for farming purposes.

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Dear Sir:

I have your letter of the 19th of February, 1953, relative to your enquiry as to the age of the above-named who applied for homestead entry for the said land.

In reply, I regret to inform you that our records do not disclose the age of this man, due to the fact that as he was a patient in hospital, his wife made application for Patent in his behalf.

Our records indicate that one Eliza Lennox, in her sworn statement on behalf of her husband, John E. Lennox, bearing date the 6th of June, 1912, in support of her application for Patent for the above-mentioned land, gave her age as 24 years.

Yours very truly,
